

Grimaldi's pizzeria now open at Montgomery Farm

July 29, 2008

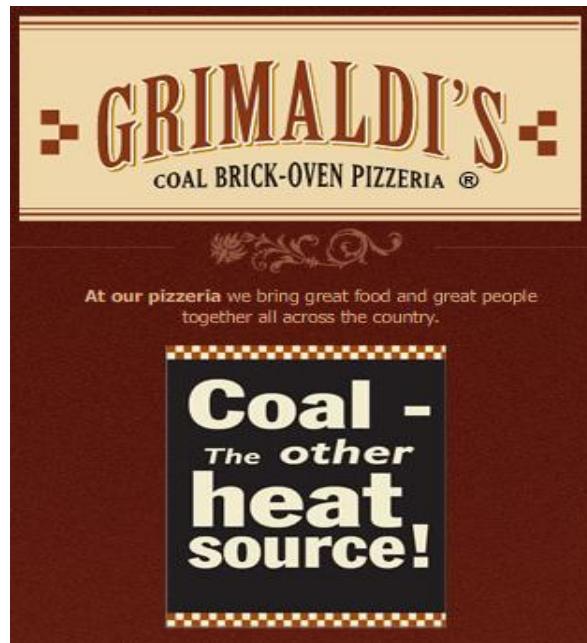

“The Pizza that Made the Brooklyn Bridge Famous” is now available at Montgomery Farm.

Grimaldi's, which features fresh ingredients, homemade mozzarella, “secret recipe” sauce and dough, opened over the weekend in Watters Creek, Montgomery Farm's mixed-use town center.

Grimaldi's, the most award winning pizzeria in the United States, features made-to-order Pizzas (17 topping choices), Calzone, family style salads, extensive wine list plus beer and specialty cocktails, “New York style” cheesecake and Grimaldi's Famous Cannoli.

For decades, the smoky taste of his coal fired brick oven pizza became a “must have” for numerous pizza lovers and celebrities alike, including Frank Sinatra and former NYC Mayor Giuliani.

Among the many awards, the pizzeria has received are Zagat Survey's Best Pizza in NY 1997-2004 and USA Today's Top 10 Places to Pop the Question.

Montgomery Farm/Connemara featured on WFAA

WFAA recently featured Montgomery Farm and the Connemara Conservancy as an example of those working to control the loss of open space as development continues throughout North Texas. To see the report, [Click here](#).
